

Secondary Curriculum Map Template

Economics & Financial Literacy — Grades 9–12

This template provides the master framework for mapping lesson titles, essential questions, learning objectives, DOK levels, prerequisite knowledge, key terms, and multi-state standards alignment across the full Economics and Financial Literacy program.

TEMPLATE FIELD DEFINITIONS

Unit Number	Sequential unit identifier (1–8 across two semesters)
Lesson Title	Descriptive title aligned to the primary standard cluster
Essential Question	Open-ended driving question that frames learner inquiry for the lesson
Primary Standard	Nevada (or state-specific) standard code addressed as the primary target
Supporting Standards	Additional standards partially or supplementally addressed
DOK Level	Depth of Knowledge level required by the primary learning objective (1–4)
Prerequisites	Prior knowledge or skills required before instruction begins
Key Vocabulary	Tier 2 and Tier 3 academic vocabulary for explicit instruction
Assessment Type	Formative / summative / performance-based — mapped per lesson
Multi-State Alignment	Column flags for NV, CA, FL, PA, TX, WA coverage
Gap Status	Fully Covered / Partially Covered / Gap (requires new content)
